To Whom It May Concern:

I was one of the unfortunate people who lost money when Ace Oil went out of business. Even though I was not happy with what happened, I am still a believer in the prepay program and signed up for it with my new company. Since I am elderly, I like the fact that I do not have to worry about balancing my check book. When the winter comes I know I have no worries since my oil is paid for.

Please do not create any new laws that would increase the cost of my oil. I want to continue to prepay my oil in the future and would like to do so at no added cost. Thank you.

Sincerely,
